

# VR DESKTOP CAMERA

## [ABOUT]

**Thank you for your purchase!** VR Desktop Camera creates a full-resolution camera for the desktop to help capture players' entire field of view. For any questions or issues, you can contact me at [EarnestRobot@gmail.com](mailto:EarnestRobot@gmail.com)

**\*For Post-Processing Layer download the sub-package at VRDesktopCamera/PostProcessing**

## [SETUP]

Attach the VRDesktopCamera Script to your VR Camera GameObject
